Can I get my money back from CheapOair?

Instead +44 800 208 8921 (UK) or +1-866-690-1240 (US), refunds are usually governed by the airline, hotel, or service provider you booked with. This makes the process a bit more complicated than booking directly with the airline. However, in many cases, you can still get your money back if you follow the correct steps and meet eligibility conditions.
